

WILLIMANTIC ORCHESTRA

2016-17 Dues Notice

The Orchestra asks each player – with the exception of students – to pay modest dues as his or her share of the Orchestra’s expenses. To help meet the estimated \$5K cost of the 2016-17 season (primarily, honoraria for guest conductors, soloists, and ringers; music purchase or rental; program printing; fees for using Mansfield Middle School Auditorium for our Spring Concert), we are counting on \$2.8K in dues and contributions from players.

Dues have not increased since 1998. The Orchestra's policy is to keep dues low so that they are not a barrier to anyone who wants to play, but to encourage additional contributions (deductible as charitable contributions on IRS Form 1040, Schedule A, if you itemize deductions) from those who can afford to give more.

Please complete the form below and return it with your check payable to “Willimantic Orchestra, Inc.” to our Treasurer, Paul Navratil, at the **second rehearsal**, Thursday, 15 September 2016 Or you may mail your check and completed form to him at 192 Plains Rd, Tolland, CT 06084.

Those whose additional contributions are received by 27 October 2016 will be acknowledged in the 2016-17 season program booklet.
